

# CLUES LETTER

Dear RBI Agent

I have a very important mission for you. The great Robert Ripley has left a note on the island that uses a special secret code and we need you to crack it!

He has only given us some of the words in English so it is up to you to work out the rest—the RBI are depending on you. Using the code below find out what Rip was trying to tell us and see if you can help.

Good luck!  
Mr Cain
